Sir:

This communication is in response to the Office Action dated July 1, 2004 in connection with the above-identified application. In the Office Action, the Examiner issued a species restriction requirement between Species A, related to the claims "directed to disposing a waterproof liner adjacent an interior surface of the lower through the bottom opening," and Species B, related to the claims "directed to sealing the at least one seam and the second seam in a waterproof manner by accessing the at least one seam and the second seam through the bottom opening of the lower." The Examiner also indicated that Claims 1-10 and 14-19 are generic. Applicants respectfully submit that Claims 11 and 20 are also generic because they are broad enough to read in Species A and B.

In response to the species restriction, Applicants hereby elect, without traverse, to prosecute the claims directed toward Species B, namely Claim 13, in the event a generic claim is not allowed. Applicants respectfully submit that Claims 1-11 and 13-20 are elected for examination and that Claims 1-20 remain pending.

In view of the foregoing, Applicants respectfully request examination of the pending claims. If the Examiner has any questions or believes a telephone conference

would expedite prosecution of this application, the Examiner is encouraged to call the undersigned at (206) 359-3259.

Applicants believe no fee is due with this response. However, if a fee is due, please charge our Deposit Account No. 50-0665, under Order No. 436668008US from which the undersigned is authorized to draw.

Respectfully submitted,
